

**Victoria Public School Grants Program
Information Session
Thursday, January 10th 2PM
The Priory**

Victoria Foundation in partnership with Newark Arts Education Roundtable, Newark Thrives!, Newark Trust for Education, and Schools That Can Newark, is excited to announce an information session for all interested **public schools in Newark** and partner nonprofit agencies to learn more about the Victoria Public School Grants Program.

The information session will take place on **Thursday, January 10th, starting at 2pm** at The Priory (233 W. Market Street). At the session you will hear about the grant, school requirements to apply, and instructions for submitting a LOI for the 2019-2020 academic year.

Kindly RSVP for the Information Session at: <https://tinyurl.com/y9dxv4oa>

About the Victoria Public School Grants Program

Started in 2018, Victoria Foundation grantmaking related to Newark's public schools is managed by 4 local intermediary organizations:

Newark Arts Education Roundtable – for grants related to arts education
Newark Thrives! – for grants related to STEAM efforts
Newark Trust for Education – for grants related to social/emotional learning
Schools That Can Newark – for grants related to college access & success

Victoria Foundation no longer accepts letters of intent or proposals directly from public schools or school management organizations in Newark. The advantages of having intermediary organizations conduct grantmaking on behalf of the foundation are increased opportunities for capacity building sessions related to evaluation, program enhancement and fundraising; and convening school leaders to share best practices.
